Seniorogue
1955

Janie,

I certainly have enjoyed being with you these last three years. You have sure changed a lot, for the better.

I'll always remember the Washington trip. We had fun, didn't we? Remember taking down the beds.

I'll always remember dating with you, and remember what good times we had.

I surely will miss you next year, with you at college and I at home, caring for my children.

I hope you and Jack make up and get along fine.

I'm sure you will make a nice teacher, and a good wife and mother. These things I'm sure you will be.

I'm wishing you the best of everything in life and much success in everything you do.

I can't wait for you to teach my children, Don't whip them too hard! Love,

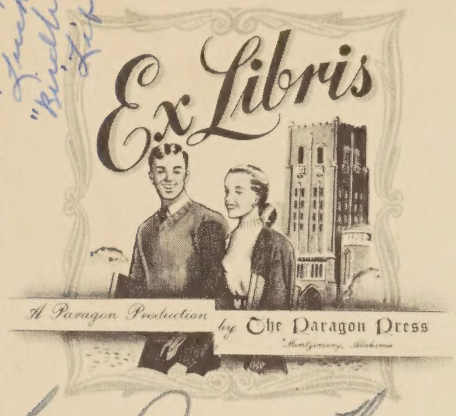
Janet

P.S. I'm going to cry if I don't stop thinking of leaving school and my friends.

Here is to Laura who can do much more than she thinks she can. Her good nature will save her. I.J. Stephenson

Lots of luck to a very nice classmate
Clayton Rosen

Dear Janie,
I can't tell my roommate fat about you
so I am folding up this
"Ode" and slipping it
to Polly. As Lee
like to have known
you for years. It
gives me the greatest
pleasure to write on yours
album. I will remember
you as my faithful
sweetmate. Be sweet and study
hard at dear old S.C. + don't get
too many crushes on those
Birmingham Mr.!! Best of
"Excellerin"
Fix"



Laura Jane Thomas

Dearest Janie,

You are the sweetest one, and we're going to miss seeing your "crazy mug" around here next year. I'll never forget all those "looney times" we've had together — passing transfer trucks, your escapade on my Dodge that snowy day, etc. "Ain't" it been fun!

Sincerely, on my list you are tops. Jelly and I love you and wish the very best to one who truly deserves it. Keep your wagon hitched to a star!

Love ya,

Hortense (who? Mary Beth)

Remember always to be as sweet as you R.

Aunt Nina

June 20, 1955

Dearest Janie,

I feel that I have had the greatest honor ever bestowed on anyone when of all people have asked me to write in your little ole annual.

Well all I can think of is just you - so will close.

Love & Kisses,

Polly Burgess

P.S. Don't guess I could ever tell you how much I'm enjoying summer school down here with you, you scrounge!

Peachy
